Dear Hiring Manager,

I am writing to express my interest in opportunities related to **Data Science, Data Analytics, or Technical Roles** within your organization.

I am currently pursuing a **B.Sc. in Data Science & Artificial Intelligence** from IIT Jodhpur and have hands-on experience through **real-world projects, academic coursework, hackathons, and early-stage startup initiatives**. My background includes working with **Python, SQL, Excel, data management, analytics, and workflow design**, along with experience leading and collaborating within technical teams.

Are you looking for a [job title] with: Are you looking for a candidate with:

- Practical exposure to **data analysis, data workflows, and applied analytics**
- Strong understanding of **modern data tools and problem-solving approaches**
- Clear written and verbal communication skills
- A strong willingness to learn, adapt, and continuously improve

If so, I believe I would be a strong fit. As outlined in my resume, I have served as **Technical Head** for a hackathon project, contributed as a **core team member in an early-stage startup initiative**, and worked on multiple **industry-aligned and academic projects**. These experiences have helped me bridge theoretical knowledge with real-world application.

I would welcome the opportunity to discuss how my skills and interests align with your organization. You may contact me at **9570140334**. I am generally available during standard working hours, and I will return any missed calls promptly.

Thank you for your time and consideration. I look forward to the opportunity to connect.

Sincerely,

Shivam Kumar Barnwal
